

## Important instructions to presenters in unmoderated poster sessions

### Short explanation of unmoderated posters

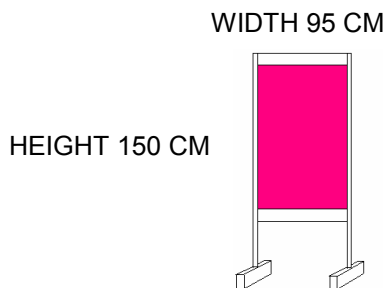

Unmoderated posters means the abstract presenter is requested to be present at his/her poster board during the poster viewing times. The presenter has to bring their own poster to the congress.

### Poster viewing times

Friday:	09.30 – 10.00 hrs.
	12.00 – 13.30 hrs.
	15.45 – 16.15 hrs.
Saturday:	09.30 – 10.00 hrs.
	12.30 – 13.30 hrs.
	15.00 – 15.30 hrs.
Sunday:	10.30 – 11.00 hrs.

### Equipment supplied

- Poster boards with a height of 150cm and a width of 95cm

### DO's

- Keep illustrative material simple in using charts, graphs, drawings and pictures. Keep in mind that your illustrations must be read from a distance of about 1 – 1.5m or more.
- DO use matte (silk) finish for photographs as this will help diminish glare
- DO make posters as self-explanatory as possible
- DO provide descriptive handouts if useful to attendees
- DO stick to an easy to understand format: usually authors, abstract, methods, results and conclusions

### DONT'S

- DO NOT mount abstracts on heavy board, thus avoiding hanging problems
- DO NOT use projection equipment (projectors are not supplied)

### Suggestions for the construction of a poster

*Some colour combinations that provide better contrast are:*

- black on yellow
- black on orange
- green on white
- red on white
- white on black

**NOTE:** make sure you register yourself for the EMUC meeting at [registrations.uroweb.org](http://registrations.uroweb.org)  
Until 1<sup>st</sup> October you will receive the early registration fee.

If you require any further information, please do not hesitate to contact me.  
Kind regards,
